LES ANNEES SOMBRES: Helsinki 1940.

Inauguré en 1936, le relais de la flamme olympique ne sera pas organisé en 1940.

La deuxième guerre mondiale éloigne les athlètes du stade. Les Jeux de la douzième Olympiade ne seront pas célébrés.

Néanmoins, la flamme olympique ne s'éteint pas. Les organisateurs des Jeux prévus à Helsinki émettent des vignettes de propagande représentant tant le puissant symbole de l'Esprit Olympique.

LES ANNEES SOMBRES: Camps de prisonniers Polonais 1944.

1944, la guerre sévit toujours. La treizième Olympiade ne sera pas célébrée. On commémore à Lausanne le jubilé olympique.

Mais des hommes méritent notre admiration. Prisonniers, derrière leurs barbelés, ils n'ont pas oublié la Paix et l'Amitié. Ils maintiennent allumé le flambeau de l'Olympisme, et organisent, dans des camps de concentration, des épreuves sportives.

Les prisonniers Polonais, réunis en déportation dans les camps de Woldenberg et Gross-Born, ont organisé un service postal interne. Des timbres et des oblitérations réalisés par ce service, de façon rudimentaire, relatent la célébration d'épreuves sportives olympiques.

Timbre émis au camp de Woldenberg; représentant un porteur de flambeau. (validité: du 13/8 au 31/10 1944)

ROK OLIMPIJSKI 1944

Entier postal Polonais, émis en 1979, pour commémorer les émissions des camps de prisonniers en 1944. L'illustration, à gauche, représentant un athlète terrassé brandissant la flamme olympique, figurait sur des cartes réalisées à Woldenberg.
