20 October 1920

Third Issue of 20 October 1920
First setting

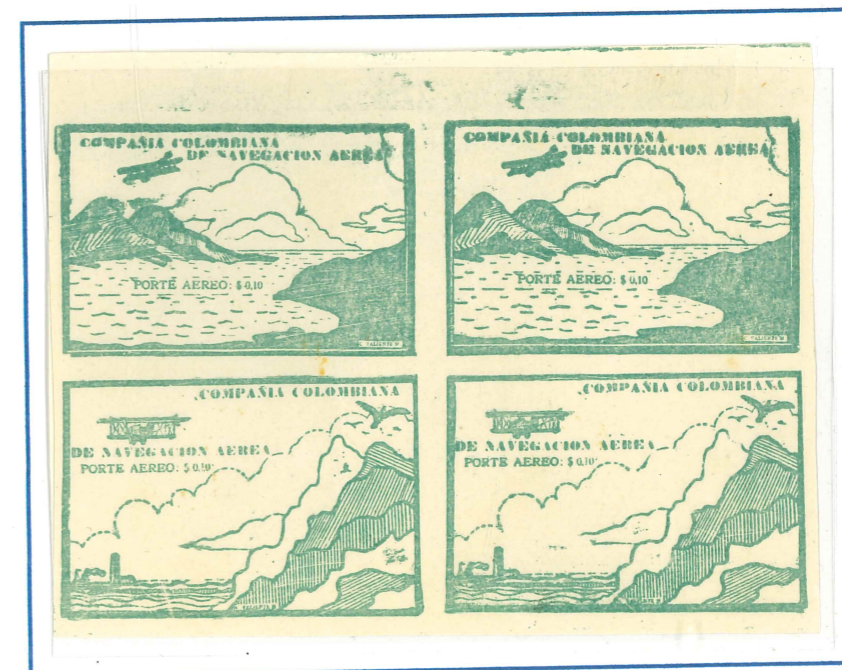

For this issue a new design had been produced and printed by Francisco C. Valiente of Barranquilla, two different designs printed se-tenant in the same sheet, each repeated 36x in the sheet of 6 x 12 = 72 stamps.
During the transfer process, the position 23 had to be retouched, showing the known VARIETY of the RETOUCED MOUNTAIN.
