GREAT BRITAIN. A letter-sheet from Holt, April, 21. 1841 to Norwich, bearing a block of 6, 1d. black, wmk. small Crown imperf., lettered FA/C-GA-C from plate 6, S.G.2, cancelled by six strikes of the Maltese Cross in black. It is in my opinion genuine. Stamps FB and GB have a faint vertical crease from the original filing crease on the letter sheet. Two stamps FA and FC are slightly cut into otherwise the block has full margins. A fine cover of very nice appearance.

Step: Pitom
