Which shows the infant Devi Singh, who came to the throne in 1930, after the early death of his father, Ranjitsingh. (Ranjitsingh seems to have been a bit of a spendthrift – happy to spend and borrow – and a bit of a Mr Toad – obsessed by the Motor Car. Remember that this was the 1920s).

Here is a sheet of the 4 Anna (Registered letter rate from the same printing (only 400), but not a listed shade – but rarer:
