ST. HELENA, 1868.

I have examined the postage stamp issued by the Colonial Administration of St. Helena in 1868, "Queen Victoria" 6 pence yellow, perforated 12 1/2, on medium white wove paper with watermark "Crown and CC" upright, surcharged "TWO PENCE" and 14.25 mm. bar, Scott Catalogue #19; Stanley Gibbons #9, unused, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp is **genuine in all respects**, unused, with original gum, and is free from faults or repairs at the time of examination. I have signed it.
