#### DOLLARD FEBRUARY 1922 PRINTING

Shifted Letter "L" over "N" On 3 of the stamps in block

Dollard set the overprint 15 times on a monotype machine, assembled the type into a Cliche 3 wide by 5 high and cast Stereos. 16 Stereos were assembled to make an overprint printing plate of 240 subjects.

Impression of an entire Cliché 3x15

Short Tail to #9 of date on The left stamp

Control numbers (R 21 Perforated through the selvedge), occur on British half penny & pence values under stamp 2 row 20, except on the 1 penny value which is under stamp 11 row 20.
