The Penny Post Commemorative

This stamp was issued on 6 September 1895 with the introduction of a uniform one penny rate for letters up to ½ ounce. The Press Printing and Publishing Works, Pretoria, produced the stamp lithographically in panes of 60 (6 x 10), line perforated 11, and certain constant flaws occur in each vertical column. Ref. PIETERSBURG - THE EMERGENCY ISSUES

Authorized by President Kruger and in use until 9 April 1901, when British troops entered the town. Type-set by DeZoutpansberg Wachter Press of which the first two horizontal rows were as Type I, the third row as Type II, the fourth row as Type III. Perforated stamps are from the first printing.

Unsigned copies are considered remainders (see "Transvaal Philately" Chapter 13, Page 96), though some catalogs consider them proofs.
