On June 20th the 2d Engineer Special Brigade will commence its fourth year of service. On June 29th it will enter its third year of continuous participation in combat.  Somewhere in ~~the~~
 Where the mail is always late,
 A Christmas card in April
 Is considered up-to-date;
 Where we never have a pay day,
 And we never have a dime,
 Is the best place I'm living
 And spending all my time.

S.W. Paufe
 Somewhere in ~~the~~
 Where the sun is like a curse,
 And each day is followed
 By another slightly worse;
 Where the heat is so terrific,
 And it makes one understand
 Why all men dream and wish
 For a fairer, freer land.

S.W. Paufe
 Somewhere in ~~the~~
 Where we never get a drink,

... stuff called beer and whiskey
 Could really put you on the blink;
 We feel like a demon fighter
 Of every known disease,
 For this life is full of misery,
 Take it any way you please.

S.W. Paufe
 Somewhere in ~~the~~
 Where the lights are made for love,
 Where the moon is like a searchlight,
 And the Southern Cross above
 Sparkles like a diamond on a sea so
 serene,
 But the setting is just joking
 For a woman is never seen.

S.W. Paufe
 Somewhere in ~~the~~
 Where the ants and lizards play,
 And a dozen or more mosquitoes
 Replace each one you slay;
 So they can take me back to Louisville,
 The town I love so well,
 This forsaken outpost
 Is a substitute for Hell.

RE: RE ISSUE OF BIRD OF PARADISE STAGE II BIG "T" ERROR

In February 1992 Papua New Guinea Philatelic Bureau was to have released a Definitive Stamp Series on Bird of Paradise Stage two.

However due to a minor "error in the value i.e instead of having lower case "t" the set had upper case "T".

These particular stamps were withdrawn and replaced with corrected lower case "t" and re issued in March 1992.

Lately we have noticed some individuals/Stores...
