This is a long letter, mostly about money,,
the following snippet is worth noting:-
"I am sorry to say that several parts of
this country is at present greatly disturbed,
and there is no doubt, but the people are ready to
rise,but fortunately they want leaders,they are
continually make Pickes, Picke handles,large
quantitys of Both has been taken in different s
parts of the country. I suspect much we will
have a dreadfull winter,
The Argyle Fencibles are quartered at Carrick
On Suir about 23 miles distant from Kilkenny.
P.S.I am sorry to mention that the general orders
of the 24 Sept. issued by Marquis Cornwallis
confirm the sentence of a General Court Martial
held on Lieut. Col. McLean of the Glengary Fencibles
whereby he was adjuded to be Cashiered. It is generally
understood & talked of that an Union with G. Britain
will be carried this year in the Irish Parliament".

Entire letter dated Kilkenny 7th Oct. 1799 to Scotland with red KILKENNY straight line town stamp, b/s by black Irish Bishop mark OC/9/99. Scottish bishop mark in red, OC/13 on the front.
